

INDOOR &amp; OUTDOOR USE

DEMO &amp; PREP SERVICES AVAILABLE

### DURABLE & RESISTANT

Large-format porcelain, sintered stone, and ultra-compact surfaces (63"x126") are highly durable, scratch, stain, and heat-resistant, ideal for high-use kitchen and bathroom environments.

### EASY MAINTENANCE

With low porosity, these materials are hygienic, easy to clean, and do not absorb liquids, odors, or harbor bacteria and mold. They are also resistant to household chemicals and acids, making them suitable for kitchens and bathrooms.

### HEAT & UV RESISTANCE

These surfaces withstand high temperatures and UV exposure without discoloration, making them great for outdoor applications.

### DESIGN VERSATILITY

Offering a seamless, modern look with fewer grout lines, these materials come in a wide range of colors, patterns, and finishes, allowing for creative designs mimicking natural stone, concrete, or wood.
