DEMO & PREP SERVICES AVAILABLE

EASY MAINTENANCE

Large-format porcelain, sintered stone, and ultra-compact surfaces are water resistant and non-porous. They will not harbor bacteria, mold, or mildew, making them ideal for environments where cleanliness is essential. No sealants are required.

FEWER GROUT LINES

appearance with the illusion of a continuous surface, make your bathroom feel more spacious and open.

DURABILITY

These materials are known for their exceptional strength and resistance to wear and tear. They can withstand the rigors of daily use and retain their appearance and functionality over time.

DESIGN VERSATILITY

The wide range of colors, patterns, and textures available allowing you to create a shower space that suits your personal style and complements the overall bathroom design. We also provide matching vanities, benches, niches, and flooring.
